I see no valid grounds for waiving an outstanding contribution which is legitimately due to the Department The fact that contributors are being regularly paid since 1927 does not affect the previous duty Just as proposed in the case of the pensions contributors the sum of Rs 2 659 outstanding may be paid by the Municipality to Government in five or six annual instalments

Sir,

I have the honour to submit herewith a copy of letter No 41 dated 16-7-1928 together with those of the enclosures thereto received from the President Municipal Council Shimoga in the matter of audit objections for the year 1923-24

The audit objections relate to the non-payment of the outstanding balance of Rs 659/- due by the Municipality on account of the Medical contribution for the years from 1918 to 1923-24 and also a further balance of Rs 2666-10-3 due on account of the pensionary contribution for the period ending 30th June 1924

It is seen from the resolutions of the Municipal Council passed at their meeting held on 29th April 1928 , that the charges under medical contributions were too old, and that it would be very difficult to find this large sum, to make the necessary adjustment As regards the pensionary contribution the council has resolved that it might be paid by annual instalments of Rs 500/- each It may also be noted that since 1923-24 these contributions have been regularly paid

In view of these facts it is requested that the sanction of the Government may kindly be obtained to the resolutions of the Municipal Council, in regard to waiving the claim for the outstanding Medical contributions and allowing the Council to pay the pensionary contributions by annual

instalments of Rs.500/- each

I have the honour to be

Sir

Your most obedient servant

Deputy Commissioner

Copy of letter No 41/Muc 2 dated 16th July 1928 from the Presiden Town Municipal Council Shimoga, to the Deputy Commissioner, Shimoga District ---

I have the honour to state that in the Comptroller's Audit Note for the year 1923-24 it is required that a sum of R2659/- due on account of medical contribution for the years 1918 to 1923-24 and a further sum of R 2666-12-3 on account of pensionary contribution for the period ending 30th June 1924 be adjusted

The medical contribution is for the charges incurred during the years from 1918-19 to 1923-24 in the local fund Female Dispensar and the Maternity at Shimoga

As regards pensionary contribution the procedure of collecting one nineth pay of the pensionable employees under Municipalities was newly introduced under Corptrollers circular No 222-A dated 18th February 1921 The Municipal Council accepting this procedure at their meeting held on 10th July 1924 made adequate provision to meet the charge of this account in their budget ~~extim~~ estimate for 1924-25, which was sanctioned in Government order No L 7041-2/M1 160-24-2 dated 4th April 1925 The amounts due for the years since 1924-25 are being regularly paid

The Municipal council while discussing the audit note at t their meeting held on 29th April 1928 resolved that a representation be made to Government for graciously ordering the claim for medical contribution being waived and to allow the Municipal Council to pay the amount of pensionar contribution in annual instalments of R 500/- Due provision has been made in the budget for the year 1928-29 to meet this extra amount

I request you to be so good as to lay before the Government the Council's resolution for kind consideration and orders,

A copy of the resolutions and an extract from the Audit Note referred to above are submitted herewith
